## Sponsorship Letter

Dear Potential Sponsor/Donor,

Sisters and Brothers in Christ Mentorship Program's aim is to serve God while making an impact in our homes, schools, and communities. We are committed to the development and empowerment of future leaders by using our mentoring program as a tool to educate and inspire them on their journey to becoming well-rounded, productive citizens in society. It is our desire to provide an atmosphere for our youth that is both enriching and fun at the same time.

As in all youth programs, fundraising has become necessary to offset the cost of maintaining a quality program. Since the start of our program, we have raised money through various donations from family and friends. We are contacting you to ask if you would be willing to make a monetary donation that will directly contribute to and offset the cost of the program's youth members. In order to make this rewarding experience a reality for our community, we are reaching out directly to area businesses and organizations. In return for your support, you will be recognized on our website as a partner. 100% of the proceeds from your donation will go directly to Sisters and Brothers in Christ Mentorship Program to help provide equipment, T-Shirts, travel fees, and overall operations.

On behalf of the members, leaders and families of the Sisters and Brothers in Christ Mentorship Program, we sincerely appreciate your contribution and generous support. On the following pages, there are several levels of contributions to select from, but please do not feel limited by the levels that you see listed. All donations and contributions are accepted.

Please contact us if you have further question regarding our organization.

Sincerely,
